

Campus Placement Notice (Full-Time Opening)

Company : PwC Acturial Services
Location : Mumbai
Position : Graduate Role

The PwC Acturial Service team from Mumbai would like to conduct a **virtual pre-placement presentation** tentatively in the week commencing 14th September 2020. They will be giving information about **PwC UK - Actuarial Services**, the graduate role with them and the application process. **The interview process will be held on a later date.**

The entry criteria for this position are as follows :-

- 91% (A1) marks in Mathematics in both classes X and XII (CBSE or equivalent),
- 80% marks in English in class XII (CBSE or equivalent), and
- At least 55% aggregate in their undergraduate degree.

For students who have appeared for GCE A level examination (International Board) the entry criteria for this position are as follows:-

- Minimum Grade **C** in A Level mathematics
 - A second A Level in any subject at a minimum Grade C, and
 - At least 55% aggregate in their undergraduate degree.
- They aim to recruit bright students from **undergraduate** degree backgrounds who are keen to pursue an actuarial career. Please note that they are looking for students who are interested in pursuing a career in actuarial consulting and **not** candidates who are currently studying for actuarial exams.
- The successful candidates will **join the practice in August 2021** and they will be based in their **Mumbai office**. They should thus have at least an undergraduate degree by August 2021.

All those students who meet the above criteria should attend the pre-placement talk. Please mail at **jdbikolkata@gmail.com** mentioning your name, section and roll no. Last date to submit your name is **13 September 2020**.
