

D.E.Shaw India Pvt Ltd

(Full-Time Opening for Batch 2018-2021)

The D.E.Shaw Group (DESCO) is a global investment and technology development firm with more than \$50 billion in investment capital as of September 1, 2020, and offices in North America, Europe, and Asia. Since our founding in 1988, our firm has earned an international reputation for successful investing based on innovation, careful risk management, and the quality and depth of our staff. We have a significant presence in the world's capital markets, investing in a wide range of companies and financial instruments in both developed and developing economies. Our activities range from computer-based quantitative investment management to the development and financing of technology-oriented business ventures. D. E. Shaw India (DESI) is a core member of DESCO's Global Information Technology Group and was established in Hyderabad in 1996. DESI provides research, development, and support for all of D. E. Shaw's business initiatives.

Role: Financial Associate Research

The Financial Research group works closely with the front office to provide high-quality and in-depth support to the investment research team and for the decision-based processes of the firm's global proprietary trading strategies. We are looking for individuals from a wide range of backgrounds, with extraordinary academic or professional achievements, who have demonstrated initiative and intelligence in their previous endeavors?

What you'll do day today:

- Support front office traders/analysts on critical and time-sensitive recurring tasks that are data-intensive in nature
- Build and manage large financial data sets; perform exception analysis
- Support fundamental research teams by conducting data research, summarize industry/company conference calls, and prepare quarterly earnings reports

Who we're looking for:

- The ideal candidate should be a **2021 batch final year UG student from a three-year undergraduate program with no current backlogs.**
- They should be exceptionally bright and highly motivated creative thinkers
- Attention to detail and the ability to think unconventionally are important for this role
- Excellent written and oral communication skills are essential.

Compensation & Benefits Package: INR 18.75 – 19.25 Lac P.A.

How to apply:

Link for applying for the Associate Financial

Research role: <https://www.deshawindia.com/recruit/jobs/OffCampus/AssFinRFeb2021>

The last date for applying will be 11:59 P.M. on 1st March 2021.

Next Steps:

The company will review the applications and the shortlisted candidates will receive an email from D.E.Shaw to register for an online test by **5th March 2021.**

1. The dates for the online test will be **14th March 2021.** At the time of registration, the student will have to select their preferred test time slot.

2. On the day of the test, the candidates **will receive an email** with the **test link and login credentials**. The test can be accessed using a webcam and mic-enabled PC/Laptop with a strong internet connection from any quiet and well lit location. The test will be proctored through the webcam and mic and we recommend that the candidates attempt this test in complete privacy.
3. This test will have a **45 minute Multiple Choice Questions (MCQ)** section and a **10 minute Asynchronous Video** section. As soon as you complete the MCQ section, your score will be calculated and in case your score is above the qualification criteria, the Asynchronous Video Section will begin. In case your score in the MCQ section is below the qualification criteria, your test will end.

All those interested to apply should mail their name mentioning your roll no and section. Also click on the link above and apply for the Financial Associate Research role. **The last date for applying will be 11:59 P.M. on 1st March 2021.**
