## **1. Game overview and General information:**

Management Olympiad 2019 is designed to provide an excellent opportunity of communication, brand building, networking and most importantly opportunity to learn, for participants, Management Faculty & Industry experts, National Management Olympiad 2019 is a 64 Days Online Competition with a unique format.

Post registration, all the candidates will have to qualify a quiz in order to get their position in a virtual company. Those who will not get any position will still be considered as part of the competition. Moreover, they can turn out to be a game changer while reviewing different team performances. Furthermore, they can submit their views and ideas which can lead them to win many awards all through the competition. On the other hand, virtual companies will solve Business Case scenarios, precisely Culminated by Industry experts, These Business Case scenarios will also be available for all participants to view & vote, All Submitted solutions will be evaluated by Game Judges, expert Faculties, Industry experts and other Participants & Scores will be visible on a daily updating scoreboard. Winners will be awarded at final event.

At every stage top winning Solutions will get a place in Management Digest 2019.
